### ***Other Points of Interest:***

\*During the fringe months of April and October, outdoor play will be \$10/person, singles or doubles.

\*Current court costs will remain in effect until 10/1/22.

\*Opening of the pool is dependent on staffing. We do hope to open the pool this year.

\*Court reservations may be made up to one week in advance.

\*Ketcham and Lourdes High School teams have matches and practices at Cross Court. Many of our outdoor courts may be in use by these teams during weekdays, usually from 3 to 6pm. Cross Court supports our local youth tennis programs and kindly asks for your understanding in court availability.

\*24 hour notice is requested if canceling a court reservation. No-shows will be billed and/or handled on an individual basis. We also request players signing up for mixers to call and cancel as soon as possible, if unable to attend. Our mixers regularly fill up with waitlists. A cancellation opens a spot for someone else to play! No-shows will be billed and/or handled on an individual basis. Please be considerate of your fellow players!

**Have a great summer!!**
